Grants made by the Parish Council

To fund grants the Parish Council includes the relevant amounts of money in the precept, this is collected by the East Riding of Yorkshire Council as part of the Council Tax.

The Parish Council needs to finalise the precept at the December meeting and so needs to decide what organisations it will grant aid and by how much at this meeting

A new form has been adopted by the Parish Council to allow everyone to apply for grants in the same way, I enclose a copy. If you wish to apply for a grant would you please return to me by the end of November along with a copy of your latest accounts.

If you have any questions or advice on filling out the forms please contact me

Thank you

Steve Young
